## SCHOOL

**SCHOOL COMMENCEMENT** —On the afternoon of Friday, June 15, the yearly closing exercises of the School will be held. At the same time, the annual exhibition of students' work will be opened to the public. This collection will include as usual studies from the departments of Drawing and Painting, Decorative Design, Modeling and Sculpture, Normal Art Instruction, Mural Painting, Ceramic Decoration, Illustration, and The Chicago School of Architecture.

The eighteenth session of the Summer School will open Monday, June 25. With the exception of the Architectural and Normal courses, the regular departments of instruction will be maintained.

A special six weeks' course of Public School Drawing and Applied Design will be given, and Juvenile classes will be held daily from 9 to 12 a. m. for a term of nine weeks. An outdoor Sketch Class will be an important feature.

During the term Mr. Eggers will deliver to the students a course of three lectures on the general subject "The Study of Art."
